Many Opportunities in Art For Girl With Talent

REQUIRES TRAINING AND MUCH PERSISTENCE

Fields of Designing, Fashion Work and Illustration Have Opened to Women of Artistic Ability Not Only Chance to Support Themselves, but to Make a Very Good Living.

Miss Seddie Aspell, who advises the girl with artistic ability how she can best make use of her talent for drawing, is an extremely successful illustrator who has made a name for herself as a student of types in American life. Starting out in the exacting routine of newspaper work, she is now occupied almost entirely with illustrating for

ET the girl who likes to draw be of good cheer. Within the last few years so many opportunities have opened up for the woman of artistic ability that with training and a reasonable amount of persistence she may hope not only to support herself but to make a very good living indeed.

I am not speaking of the girl who aspires to paint, for though women painters and sculptors are increasingly successful, progress in that sort of career depends entirely upon the individual. I would, however, advise any girl who hopes to fol-

low the fine arts to prepare herself for the more renunerative commercial branches, which will always give her an independent livelshood.

it is really happiness to do. The opening of the fields of designing, fashion only study and no experience as a work and illustration to women has designer, she may only expect to re-been paralleled by the development of ceive from \$16 to \$18 a week at first. most practical lines, and the girl with ability is sure of excellent opportunities the moment she is prepared to meet them. A girl should know while she is in high school whether she wishes to make her living this way, and although the schools do not demand high school training, it is decided by the girl with ability, and there are designers, especially in fashion work. mand high school training, it is de-sirable, as in all other arts, to have getting as high as \$10.000 and more. as much general education as possible for background.

Six Best Buyers

Names That Are Recognized By All Good Bookkeepers

- By Neal R O'Hara -Copyright, 1922 (New York Evening World), by Press Publishing Comp

TISTORY records the six best sellers. Bible, telephone. Smears-Sawbuck catalogue, dictionary, "Uncle Tom's C and Green Certificate Premium Book. Those are six st sellers in United States—Morocco, calfskin or paper cover, Bu you ever hear of the six best buyers? No? Boy, you ain't,

Six best buyers in sweet land of liberty are bound in silk li clocked stockings, lavalliere and decollete gowns. And one of of 'em wear derby hats. Six best buyers are these:

LIZZIE SWIPP, beautiful bionde stenographer. Liz thinks beauty is and assembled like a cafeteria meal. Has more eyebrow pencils porcupine has quills. Buys talcum powder by bushel and dab with dry mop. If rouge was money, she'd be a vermillionaire, most of life in beauty parlors, boudots and baths. Thinks an or perfume is worth a pound of flesh. If beauty is skin deep, Liz a has a one-inch margin. And when Liz has a nightmare, she don dragon's claws on pink elephants. She sees crow's feet on a

BRIDGET M'GLUKE, cook. A giutton for groceries. Bridget pitte stores that come in chains. She patronizes 'em prolifically. With I. O. U.'s A soft heart for butchers too. Bridget would order a ventson for a two-party lunch. A very careful purchaser, Her brecost no more than a barbecue. Not exactly economical perhaps, furnishes the most exclusive garbage in town.

WILBERT ZOBB, Wall Street do setter. This guy will buy anything of Has preferred stock in several olive oil wells: has options on eight of German marks, and owns outright both lions in front of Public Lib Snapped up lions at a bargain from stranger that had to leave to a hurry. A shrewd boy, Wilbert. Buys absolutely on his own ho makes broker furnish line and sinker. Smart, Only thing be ever fused to buy was Liberty bonds. Special weekly market letter to

NINA TEN EYCK, the beotlegger's bride. This gal will also buy anything—quick. Money no object, except to get rid of. Has passion for rare editions of front row seats. Demands limousines upholstered in Grein tapestries. Exclusive! Platinum tips for shoe laces and ropes of haaris for hanging out wash. Prefers mink rug for doormat and spiny of peacock feathers for dusting a room. In other words, a liberal stander. Now buying up autographed radio messages and original manuscripts peacock feathers for dusting a room. In other words, a liberal s Now buying up autographed radio messages and original man-

VERNA KEWLER, queen of the dotted line. Buys everything for the from soup tureen to nuts for flivver. Verna pays the dollar all Kewler the balance per week, perchance. Verna could furnish a he \$24. Her credit is good, her nerve is good. But sometimes—ofter in fact-it is cheaper to start all over again than to pay the residu rent. No, the Kewlers are not hop flends. They are hop, skip an flends. Try and get 'em for the second payment!

GORDON WOOFUS, deceased. Still another guy that would buy an Anything a bootlegger said was real stuff. Everything they offer was good buy. The last case they sold him was! Now his man has a solid marble dome. Expensive but appropriate.

These are positively the six best buyers.
